YOUR TASK:

To be available at the ski lift departure points in the morning and then on the pistes and at the reception/information points during the afternoon to advise holidaymakers on the conditions and the "tips" of the day.

Whatever the circumstances, you will be the recognised point of contact to enable our clients to enjoy an outstanding holiday in the Chamonix Valley.

TO FULFIL THE TASK YOU WILL:

- enjoy helping people and have a love of Chamonix
- be highly approachable and service oriented
- be available one day per week during the winter season
- have a good knowledge of Chamonix and its ski area
- be able to ski
- have a mobile 'phone
- speak a foreign language

A season lift pass, uniform and training enable every member of the association to fulfil their task to the maximum.
